### Ingredients:

WOW! Sweet Cheeks Embossing Powder

WOW! Pink Taffeta Embossing Powder

WOW! Rose Gold Fab Foil

WOW! Clear Embossing Ink Pad

WOW! Heat Tool

Card Blank and a slightly smaller piece for front

Hello die by Lawn Fawn

Water

Double Sided Adhesive

scrap of card stock

Stiff card like a business card

Foam Pads

### Instructions:

Apply ink to edge of business card and 'scrape' on to card front, sprinkle with WOW! Sweet Cheeks Embossing Powder, shake off excess and heat set.

Repeat, making sure the card has cooled down this time using WOW! Pink Taffeta Embossing Powder, shake off excess and heat set.

Flick water on to card front and emboss with WOW! Sweet Cheeks Embossing Powder.

Apply double sided adhesive to card stock, die cut 'Hello', remove adhesive backing and place foil colour side up on front, rub and peel, to reveal foiled word.

Cut up foam pads small enough so they won't show, adhere to back of word and adhere to card front.
