Hello Friend Card... Continued

Ink up all four "flower shapes" with the **WOW!** Ultra Clear Ink Pad.

Apply the **WOW!** Powders, one colour at a time, rather than sprinkling, apply in a more 'clumpy fashion' make sure to shake off excess powder in between colours. The final colour can completely cover the flower, this will fill in where the other colours didn't go. heat set.

Stamp and emboss the flowers onto their respective shapes with **WOW!** Ebony Embossing Powder.

Mount onto card front with foam pads, letting the largest flower hang over the side of the card, trim this bit off. (Optional) Choose a sentiment from the **WOW!** Just Saying Clear Stamps and stamp onto card front using Verafine Ink.

As the colours used above are coloured pearl powders they have a watercolour look to them when heated and are perfect for this technique.

Here's another using Mint Macaroon for the base and the outline in Midas Touch. the possibilities are endless.
